Youth employment challenges in Zambia: A statistical profile, current policy frameworks and existing interventions

Haroon Bhorat, Aalia Cassim, Gibson Masumbu, Karmen Naidoo, and Francois Steenkamp
2015

This scoping paper is one of a series jointly commissioned by the International Development Research Centre and the MasterCard Foundation to shed light on the critical challenge of youth employment in sub-Saharan Africa. The aim is to inform new areas of research support that will build an evidence base for practical and policy-relevant solutions.

Opinions stated in this paper are those of the author and do not necessarily reflect the views of the International Development Research Centre and the MasterCard Foundation.

About the authors

Haroon Bhorat is Director of the Development Policy Research Unit (DPRU) at the University of Cape Town. **Aalia Cassim** and **Karmen Naidoo** are senior researchers at the DPRU, where **Francois Steenkamp** is also a researcher. **Gibson Masumbu** is Research Fellow in Poverty Analysis at the Zambia Institute of Policy Analysis and Research.

All comments and queries on the substance of this paper can be directed to haroon.bhorat@uct.ac.za.

About the International Development Research Centre

Part of Canada's foreign affairs and development efforts, the International Development Research Centre (IDRC) invests in knowledge, innovation, and solutions to improve lives and livelihoods in the developing world. Bringing together the right partners around opportunities for impact, IDRC builds leaders for today and tomorrow and helps drive large-scale positive change. For more information on IDRC, please visit: www.idrc.ca

About the MasterCard Foundation

The MasterCard Foundation works with visionary organizations to provide greater access to education, skills training and financial services for people living in poverty, primarily in Sub-Saharan Africa. As one of the largest, private foundations, its work is guided by its mission to advance learning and promote financial inclusion to create an inclusive and equitable world. Based in Toronto, Canada, its independence was established by MasterCard Worldwide when the Foundation was created in 2006. For more information on the Foundation, please visit: www.mastercardfdn.org
